Democracy Is On The March – The Re-Election Of President G. W. Bush

The Council of Lebanese American Organizations (CLAO) is thrilled about the outcome of the U.S. presidential elections. The victory of President George W. Bush is a triumph to principles and values, world democracy against dictatorships, and a huge defeat to terrorism – A WIN FOR AMERICA AND THE FREE WORLD.

The honest and sincere character of President Bush has enabled him to have the vision and the resolve in order not to waiver against the forces of evil. CLAO predicts that in the next four years, President Bush will see to it that terrorists and the tyrant regimes that harvest and nurture terrorism will no longer be a threat to this great nation and to the freedom seekers around the world. CLAO is optimistic that President Bush will lead the world to victory and will ensure that democracy is spread – DEMOCRACY IS AND WILL CONTINUE TO BE ON THE MARCH.

CLAO would like to congratulate our fellow Americans for re-electing President Bush, allowing him to continue leading this great nation of the United States of America in such a crucial time in history. Before too long, we will all witness that the majority in America has made the right choice, benefiting this country and the world.

GOD MAY CONTINUE TO BLESS THE UNITED STATES OF AMERICA
